

VERFAHRENERGEBNISSE (WINTER 2018/2019)

ZULASSUNGSBESCHRÄNKTE MASTER

ACHTUNG: Bitte beachten Sie, dass sich die angegebenen Verfahrensergebnisse nur auf Bildungsinländer*innen sowie Bewerber*innen aus EU-Ländern beziehen!

Bei den angegebenen Zulassungsgrenzen handelt es sich um die Vergabe-Note. Diese bildet sich in einigen Fächern aus der Bachelor- oder ToR-Note und zusätzlichen benoteten Leistungen.

Bitte beachten Sie, dass sich aus dieser Tabelle keine Prognosen über die Zulassungschancen in zukünftigen Vergabeverfahren ableiten lassen. Die Zulassungsgrenze ergibt sich in jedem Verfahren aus den Variablen (Bewerberzahl und -qualität, Anzahl an Studienplätzen) neu.

English version below.

Studiengang	Ergebnis
Angewandte Informatik (Master of Science)	Bis 2,8
Bauingenieurwesen (Master of Science)	Alle zugelassen*
Biochemie (Master of Science)	Alle zugelassen*
Biodiversität (Master of Science)	Alle zugelassen*
Biologie (Master of Science)	Alle zugelassen*
Chemie (Master of Education- zwei Fächer)	Alle zugelassen*
Cognitive Science (Master of Science)	Alle zugelassen*
Deutsch (Master of Education- zwei Fächer)	Alle zugelassen*
Economics (Master of Science)	Alle zugelassen*
Economic Policy Consulting (Master of Science)	Bis 2,7
Elektrotechnik und Informationstechnik (Master of Science)	Alle zugelassen*
Englisch (Master of Education- zwei Fächer)	Alle zugelassen*
Ethics - Economics, Law and Politics (Master of Arts)	Alle zugelassen*
Film und audiovisuelle Medien (Master of Arts)	Alle zugelassen*
Gender Studies (Master of Arts)	Bis 2,0
Gender Studies (Master of Arts- zwei Fächer)	Alle zugelassen*
Geographie (Master of Education)	Alle zugelassen*

Geowissenschaften (Master of Science)	Alle zugelassen*
Geschichte (Master of Education- zwei Fächer)	Alle zugelassen*
IT-Sicherheit/ Informationstechnik (Master of Science)	Alle zugelassen*
IT-Sicherheit/ Netze und Systeme (Master of Science)	Bis 2,6
Klinische Psychologie (Master of Science)	Bis 1,9 und Los
Lasers and Photonics (Master of Science)	Alle zugelassen*
Management (Master of Science)	Bis 2,3
Management and Economics (Master of Science)	Bis 2,6
Management und Consulting im Sport (Master of Science)	Alle zugelassen*
Maschinenbau (Master of Science)	Bis 2,6
Mathematik (Master of Education- zwei Fächer)	Alle zugelassen*
Molecular Developmental Stem Cell Biology (Master of Science)	Alle zugelassen*
Psychologie und Kognitive Neurowissenschaften (Master of Science)	Bis 2,1 und Los
Sales Management (Master of Science)	Bis 1,9
Sales Engineering and Product Management (Master of Science)	Bis 2,8
Sozialwissenschaft (Master of Arts)	Alle zugelassen*
Sports, Exercise and Health Science (Master of Science)	Bis 2,4 und Los
Umwelttechnik und Ressourcenmanagement (Master of Science)	Alle zugelassen*
Wirtschaftspsychologie (Master of Science)	Bis 1,7 und Los

* Alle Bewerber*innen, die die formalen Voraussetzungen erfüllt haben, die Voraussetzungen gemäß Prüfungskommission der Fakultät erfüllt haben und deren bisheriger Studienabschluss als äquivalent eingestuft werden konnte.

RESULTS OF ADMISSION PROCESS (WINTER 2018/2019)

RESTRICTED MASTER PROGRAMES

ATTENTION: Please note that the stated results of the procedure refer only to applicants with a German Abitur or degree, german citizenship and applicants with EU citizenship!

For some courses, the stated grade is a calculated combination of the final or ToR grade and an additional grade for the essay, portfolio or interview.

Please note that from this table no forecasts can be derived about the admission chances in future admission procedures. The admissions limit in each procedure results from the variables (number of applicants and quality, number of study places).

Program	Result
Applied Computer Science (Master of Science)	Up to 2,8
Biochemistry (Master of Science)	All applicants admitted*
Biodiversity (Master of Science)	All applicants admitted*
Biology (Master of Science)	All applicants admitted*
Chemistry (Master of Education- two subject)	All applicants admitted*
Civil Engineering (Master of Science)	All applicants admitted*
Cognitive Science (Master of science)	All applicants admitted*
German (Master of Education- two subject)	All applicants admitted*
Economics (Master of Science)	All applicants admitted*
Economic Policy Consulting (Master of Science)	Up to 2,7
Electrical and Information Engineering (Master of Science)	All applicants admitted*
English (Master of Education- two subject)	All applicants admitted*
Ethics - Economics, Law and Politics (Master of Arts)	All applicants admitted*
Film and audiovisual Media (Master of Arts)	All applicants admitted*
Gender Studies-Culture, Communication, Society (Master of Arts)	Up to 2,0
Gender Studies-Culture, Communication, Society (Master of Arts- two subject)	All applicants admitted*

Geography (Master of Education)	All applicants admitted*
Geosciences (Master of Science)	All applicants admitted*
History (Master of Education- two subject)	All applicants admitted*
IT-Security/ Information Engineering (Master of Science)	All applicants admitted*
IT-Security/ Networks and Systems (Master of Science)	Up to 2,6
Clinical Psychology (Master of Science)	Up to 1,9 and lot
Lasers and Photonics (Master of Science)	All applicants admitted*
Management (Master of Science)	Up to 2,3
Management and Economics (Master of Science)	Up to 2,6
Management and Consulting in Sports (Master of Science)	All applicants admitted*
Mechanical Engineering (Master of Science)	Up to 2,6
Mathematics (Master of Education- two subject)	All applicants admitted*
Molecular Developmental Stem Cell Biology (Master of Science)	All applicants admitted*
Psychology and Cognitive Neuroscience (Master of Science)	Up to 2,1 and lot
Sales Management (Master of Science)	Up to 1,9
Sales Engineering and Product Management (Master of Science)	Up to 2,8
Social Sciences (Master of Arts)	All applicants admitted*
Sports, Exercise and Health Science (Master of Science)	Up to 2,4 and lot
Environmental Technology and Resource Management (Master of Science)	All applicants admitted*
Business Psychology (Master of Science)	Up to 1,7 and lot

* All applicants who have fulfilled the formal requirements, fulfilled the requirements of the Examination Board of the Faculty and whose previous degree has been classified as equivalent.
