

# THE 4 RULES IN DOSV 1.5

valid from summer semester 2020

## Rule 1

### Requirement

- only one active application in the procedure
- this application is in the admissible range

### Action

- admission offer becomes admission directly

## Rule 2

### Requirement

- several active applications in the procedure
- for all of them there is an admission offer

### Action

- admission offer for highest priority application becomes admission immediately

## Rule 3

### Requirement

- several active applications in the procedure
- there is more than one admission offer
- for at least one application, no admission offer has been received yet

### Action

- lower-priority admission offers are eliminated immediately
- highest-priority admission offer still in existence

## Rule 4\*

### Requirement

- an admission offer has been made in the Coordinated succession procedure

### Action

- application with admission offer receives admission immediately
- previous prioritization is no longer relevant

\*4th Rule is only valid for the Coordinated succession procedure
